Index to Volume 160 • Index au volume 160

CMAJ is indexed according to the medical subject headings established by the National Library of Medicine, US National Institutes of Health.

Each article title is followed by a code that designates the article's category. The categories and accompanying codes are listed below.

Le JAMC est indexé par vedette-matière selon la nomenclature de la National Library of Medicine des National Institutes of Health américains.

Chaque titre d'article est suivi d'un code qui indique dans quelle catégorie l'article appartient. Les catégories et leurs codes sont les suivantes.

Books and other media (Book) • Livres et autres documents (Livre)
Editorials (Ed) • Éditoriaux (Ed)
Editor's preface (EP) • Mot du rédacteur en chef (MR)

SUBJECTS • SUJETS

- A -

Abdominal TB See Tuberculosis, peritoneal

Aboriginal people See Aborigines

Aborigines

- Gene defect driving diabetes epidemic on Ontario reserve (Basky) (NA) 1692
- Hunger strikers protest First Nations health care (O'Reilly) (NA) 1547
- Prevalence of gestational diabetes mellitus among James Bay Cree women in northern Quebec (Rodrigues and others) (Ev) 1293
- Prevalence of gestational diabetes mellitus among Swampy Cree women in Moose Factory, James Bay (Godwin and others) (Ev) 1299

Abortion, induced

- Fear of black market means no RU-486 for Canada until US approves drug (Sibbald) (F) 1753

Abortion, legal

- Does the CMA's privacy code go too far? Or far enough? (Wiebe) (L) 781
- Pickets descend on CMA during May protest (NA) 1690
- Prohibit antiabortion document from entering Canada, police ask (NA) 1120
- Task force offers \$547 000 to solve shootings (Sibbald) (F) 1754
- US antiabortion pamphlet stirs anger north of border (Sullivan) (NA) 977

Abortion See Abortion, legal

Abstracting and indexing

- Dictated versus database-generated discharge summaries: a randomized clinical trial (Van Walraven and others) (Ev) 319

Academies and institutes

Canadian Academy of Child Psychiatry

- Pediatricians, psychiatrists slam pornography ruling (NA) 628

Canadian Institute for Health Information

- Falls cause most acute care admissions (NA) 629
- Health care spending: Sunnier days ahead? (Buske) (NA) 16

Access to health services See Health services accessibility

Accident prevention

- Injuries cost \$8.7 billion a year (NA) 176

Accidental falls

- Falls cause most acute care admissions (NA) 629

Accidents, aviation

- 229 people, 15 000 body parts: pathologists help solve Swissair 111's grisly puzzles (Robb) (F) 241

Accidents, traffic

- Cost of seat-belt-related whiplash injuries rising (LeBourdais) (NA) 1425
- Not all pains in the neck created equal (LeBourdais) (NA) 1816
- Postcrash impact of car accidents on children (NA) 473

Accountability See Social responsibility

Accreditation

- Mammography accreditation growing trend (NA) 629

Accutane See Isotretinoin

Acne See Acne vulgaris

Acne vulgaris

- Bulletin canadien sur les effets indésirables des médicaments (R) 106
- Canadian Adverse Drug Reaction Newsletter (R) 102
- Oral isotretinoin: prescribers beware (Shear) (Ed) 1723

Acquired immunodeficiency syndrome

- Improved survival among HIV-infected patients after initiation of triple-drug antiretroviral regimens (Hogg and others) (Ev) 659
- Incidence of tuberculosis among reported AIDS cases in Quebec from 1979 to 1996 (Brassard and Remis) (Ev) 1838

Active learning See Problem-based learning

Activities of daily living

- Prostate cancer: 13. Whose prostate is it anyway? The view from the other side of the examining table (Gray and Philbrook) (Educ) 833
- Rehabilitation and stroke (Kirby) (L) 784

Acute disease

- Diagnosis and management of acute alcohol withdrawal (Holbrook and others) (Educ) 675
- The health and cost effects of substituting home care for inpatient acute care: a review of the evidence (Soderstrom and others) (Ev) 1151
- Meta-analysis of benzodiazepine use in the treatment of acute alcohol withdrawal (Holbrook and others) (Ev) 649
- Missed opportunities for prevention in general internal medicine (Brull and others) (Ev) 1137
- No impact from active dissemination of the Ottawa Ankle Rules: further evidence of the need for local implementation of practice guidelines (Cameron and Naylor) (Ev) 1165

Acute promyelocytic leukemia See Leukemia, promyelocytic, acute

Adams, Evan

- Back from Hollywood, stethoscope in hand (Kent) (HS) 288

Adaptation, psychological

- Med students as emotional chameleons (Dalfen) (L) 182
- Rwanda redux (review of *We wish to inform you that tomorrow we will be killed with our families: stories from Rwanda*) (Andrews) (LA) 537

ADD See Attention deficit disorder with hyperactivity

Adenoma

- Forget the fibre? (NA) 773

Adolescence

- BC exercise program studies cardiac kids (Kent) (NA) 1689
- Do physicians assess lifestyle health risks during general medical examinations? A survey of general practitioners and obstetrician-gynecologists in Quebec (Maheux and others) (Ev) 1830
- ER docs happy as CPR training made compulsory in Ontario (Sibbald) (NA) 1425
- Girl talk (Todkill) (LA) 695
- High cost of *Chlamydia* can be cut, researcher finds (Silversides) (NA) 1119
- Home schooling right prescription for Vancouver MD (Jones) (HS) 1676

- How many concussions are too many? (Kent) (F) 884
- No impact from active dissemination of the Ottawa Ankle Rules: further evidence of the need for local implementation of practice guidelines (Cameron and Naylor) (Ev) 1165
- Penetrating sledding injuries to the lower torso — 2 case reports (O'Brien and Poenaru) (Educ) 353
- Periodic health examination, 1999 update: 1. Detection, prevention and treatment of obesity (Douketis and others) (Educ) 513
- Postcrash impact of car accidents on children (NA) 473
- Prevalence of asthma, rhinitis and eczema among children in 2 Canadian cities: the International Study of Asthma and Allergies in Childhood (Habbick and others) (Ev) 1824
- Prevalence of gestational diabetes mellitus among James Bay Cree women in northern Quebec (Rodrigues and others) (Ev) 1293
- Prevalence of gestational diabetes mellitus among Swampy Cree women in Moose Factory, James Bay (Godwin and others) (Ev) 1299
- Prevalence of risk factors associated with human papillomavirus infection in women living with HIV (Hankins and others) (Ev) 185
- Radiofrequency radiation in five Vancouver schools: exposure standards not exceeded (Thansandote and others) (Ev) 1311
- Trends in the incidence of testicular germ cell cancer in Ontario by histologic subgroup, 1964–1996 (Weir and others) (Ev) 201
- Tuberculosis: 3. Epidemiology of the disease in Canada (Long and others) (Educ) 1185
- Adolescent medicine**
- A tip of the cap for a McGill prof (Pinker) (HS) 1108
- Adrenal cortex hormones**
- What causes chronic fatigue? (Baschetti) (L) 636
- Adrenergic beta-antagonists**
- Challenges of prescribing low-dose drug therapy for older people (Rochon and others) (Educ) 1029
- Lifestyle modifications to prevent and control hypertension: 4. Recommendations on physical exercise training (9 Suppl) (Cléroux and others) (R) 215
- Adult**
- Compulsory HIV tests (Dunn) (L) 1286
- [reply] (Patrick and Burdge) (L) 1286
- The cost of obesity in Canada (Birmingham and others) (Ev) 483
- Do physicians assess lifestyle health risks during general medical examinations? A survey of general practitioners and obstetrician-gynecologists in Quebec (Maheux and others) (Ev) 1830
- Do students' attitudes toward women change during medical school? (Phillips and Ferguson) (Educ) 357
- Effect of initial drug choice on persistence with antihypertensive therapy: the importance of actual practice data (Caro and others) (Ev) 41
- The folly of population screening for type 2 diabetes (Marshall) (Ed) 1592
- The health and cost effects of substituting home care for inpatient acute care: a review of the evidence (Soderstrom and others) (Ev) 1151
- High cost of *Chlamydia* can be cut, researcher finds (Silversides) (NA) 1119
- How many concussions are too many? (Kent) (F) 884
- The impact of a split-second error (Thompson) (LA) 1351
- Impact of treating hyperlipidemia or hypertension to reduce the risk of death from coronary artery disease (Perreault and others) (Ev) 1449
- Intermittent compression units for severe post-phlebotic syndrome: a randomized crossover study (Ginsberg and others) (Ev) 1303
- Lifestyle modifications to prevent and control hypertension: 1. Methods and an overview of the Canadian recommendations (9 Suppl) (Campbell and others) (R) 1S [correction 1823]
- Lifestyle modifications to prevent and control hypertension: 2. Recommendations on obesity and weight loss (9 Suppl) (Leiter and others) (R) 7S
- Lifestyle modifications to prevent and control hypertension: 3. Recommendations on alcohol consumption (9 Suppl) (Campbell and others) (R) 13S
- Lifestyle modifications to prevent and control hypertension: 4. Recommendations on physical exercise training (9 Suppl) (Cléroux and others) (R) 21S
- Lifestyle modifications to prevent and control hypertension: 5. Recommendations on dietary salt (9 Suppl) (Fodor and others) (R) 29S
- Lifestyle modifications to prevent and control hypertension: 6. Recommendations on potassium, magnesium and calcium (9 Suppl) (Burgess and others) (R) 35S
- Lifestyle modifications to prevent and control hypertension: 7. Recommendations on stress management (9 Suppl) (Spence and others) (R) 46S
- Medicare's reputation in free fall before budget (Buske) (NA) 1121
- Missed opportunities for prevention in general internal medicine (Brull and others) (Ev) 1137
- No impact from active dissemination of the Ottawa Ankle Rules: further evidence of the need for local implementation of practice guidelines (Cameron and Naylor) (Ev) 1165
- Outcome of pulmonary tuberculosis treatment in the tertiary care setting — Toronto 1992/93 (Wobeser and others) (Ev) 789
- Periodic health examination, 1999 update: 1. Detection, prevention and treatment of obesity (Douketis and others) (Educ) 513
- Persistence with treatment for hypertension in actual practice (Caro and others) (Ev) 31
- A physician's struggle to close Pandora's box (Cohen) (HS) 1412
- Prevalence of *Mycobacterium tuberculosis* infection among injection drug users in Toronto (Rusen and others) (Ev) 799
- Prevalence of gestational diabetes mellitus among James Bay Cree women in northern Quebec (Rodrigues and others) (Ev) 1293
- Prevalence of gestational diabetes mellitus among Swampy Cree women in Moose Factory, James Bay (Godwin and others) (Ev) 1299
- Prevalence of risk factors associated with human papillomavirus infection in women living with HIV (Hankins and others) (Ev) 185
- Preventive medicine in people at high risk for chronic disease: the value of identifying and treating diabetes. Rebuttal to Marshall (Gerstein and Meltzer) (Ed) 1596
- Prostate-specific antigen testing in Ontario: reasons for testing patients without diagnosed prostate cancer (Bunting and others) (Educ) 70
- Rural background and clinical rural rotations during medical training: effect on practice location (Easterbrook and others) (Ev) 1159
- Screening Mammography Program of British Columbia: pattern of use and health care system costs (Olivetto and others) (Ev) 337
- Signs of physical abuse or evidence of moxibustion, cupping or coining? (Wong and others) (L) 785
- Survey of use of malaria prevention measures by Canadians visiting India (dos Santos and others) (Ev) 195
- Systolic and diastolic learning: an analogy to the cardiac cycle (Dodek and others) (Educ) 1475
- Trends in the incidence of testicular germ cell cancer in Ontario by histologic subgroup, 1964–1996 (Weir and others) (Ev) 201
- Tuberculosis: 3. Epidemiology of the disease in Canada (Long and others) (Educ) 1185
- Tuberculosis: 4. Pulmonary disease (Long and Cowie) (Educ) 1344
- Utilization of health care resources by obese Canadians (Trakas and others) (Ev) 1457
- Winter can be fun until the injuries start (Sibbald) (NA) 302
- The wintertime blues (Caplan) (PH) 375

Advance directives

Substitute decision-making for cognitively impaired older people (Brockett) (Ed) 1721

Adverse drug reaction reporting systems

Adverse reporting on adverse reactions (Bains and Hunter) (Ed) 350

Bulletin canadien sur les effets indésirables des médicaments (R) 106, 1054

Canadian Adverse Drug Reaction Newsletter (R) 102, 1050

Meta-analysis and adverse drug reactions (Mittmann and others) (L) 987

Rethinking the numbers on adverse drug reactions (Lexchin) (L) 1432

Adverse effects See **Drugs**

Adverse events See **Postoperative complications**

Advertising

"Revenge fantasy" has no place in medicine (Conacher) (L) 23

Aerospace medicine

Antivaccine advocates line up to support airman (Cairney) (F) 883

Affective symptoms

Pierre (Lupin) (LA) 380

The wintertime blues (Caplan) (PH) 375

Africa

Doctors within Borders? (Holmes) (L) 309

The Internet comes to Africa (Dickinson) (OTN) 382

African-Americans See **Blacks**

African-Canadian Achievement Award See **Awards and prizes**

Age distribution

How many concussions are too many? (Kent) (F) 884

Link between HIV risk and other STDs debated at forum (Silversides) (F) 1048

Prevalence of *Mycobacterium tuberculosis* infection among injection drug users in Toronto (Rusen and others) (Ev) 799

Trends in the incidence of testicular germ cell cancer in Ontario by histologic subgroup, 1964-1996 (Weir and others) (Ev) 201

Tuberculosis: 3. Epidemiology of the disease in Canada (Long and others) (Educ) 1185

Age factors

Bone densitometry: Does the emperor have clothes? (Kazanjian and others) (L) 1822

Cancer numbers rise but risk remains stable (Buske) (NA) 1691

Candidemia at selected Canadian sites: results from the Fungal Disease Registry, 1992-1994 (Yamamura and others) (Ev) 493

Direct costs of coronary artery bypass grafting in patients aged 65 years or more and those under age 65 (Naglie and others) (Ev) 805

Impact of treating hyperlipidemia or hypertension to reduce the risk of death from coronary artery disease (Perreault and others) (Ev) 1449

Method of physician remuneration and rates of antibiotic prescription (Hutchinson and Foley) (Ev) 1013

Prevalence of gestational diabetes mellitus among Swampy Cree women in Moose Factory, James Bay (Godwin and others) (Ev) 1299

Prevalence of risk factors associated with human papillomavirus infection in women living with HIV (Hankins and others) (Ev) 185

Sooner better than later in heart repairs (Basky) (NA) 1548

Aged

The autonomy of elderly patients

(Alibhai) (L) 23

[reply] (Bravo and De Wals) (L) 25

[reply] (Shapiro) (L) 25

Behaviour therapy beats sleeping pills for seniors' bedtime blues (Basky) (NA) 1817

Bone densitometry: Does the emperor have clothes? [reply] (Lentle) (L) 1823

Canada's informal caregivers (Buske) (NA) 1427

Canadian Consensus Conference on Dementia: a physician's guide to using the recommendations (Patterson and others) (Educ) 1738

Challenges of prescribing low-dose drug therapy for older people (Rochon and others) (Educ) 1029

Cool sites (Patterson) (NA) 472

Coronary artery bypass grafting in elderly patients: the price of success (Cohen) (Ed) 823

Current and projected annual direct costs of screening asymptomatic men for prostate cancer using prostate-specific antigen (Krahn and others) (Ev) 49

Decision-making for long-term tube-feeding in cognitively impaired elderly people (Mitchell and Lawson) (Ev) 1705

Direct costs of coronary artery bypass grafting in patients aged 65 years or more and those under age 65 (Naglie and others) (Ev) 805

Effect of initial drug choice on persistence with antihypertensive therapy: the importance of actual practice data (Caro and others) (Ev) 41

Impact of treating hyperlipidemia or hypertension to reduce the risk of death from coronary artery disease (Perreault and others) (Ev) 1449

Intermittent compression units for severe post-phlebotic syndrome: a randomized crossover study (Ginsberg and others) (Ev) 1303

"Mine own cuntry": quality of care in nursing homes (Chouinard) (Ed) 1463

No impact from active dissemination of the Ottawa Ankle Rules: further evidence of the need for local implementation of practice guidelines (Cameron and Naylor) (Ev) 1165

Nova Scotia MDs to earn more for treating elderly (Grant) (NA) 1689

Periodic health examination, 1999 update: 1. Detection, prevention and treatment of obesity (Douketis and others) (Educ) 513

Persistence with treatment for hypertension in actual practice (Caro and others) (Ev) 31

Prevalence and treatment of pain in older adults in nursing homes and other long-term care institutions: a systematic review (Fox and others) (Ev) 329

Prostate cancer: 8. Urinary incontinence and erectile dysfunction (Hassouna and Heaton) (Educ) 78

Prostate cancer: 9. Treatment of advanced disease (Gleave and others) (Educ) 225

Prostate cancer: 10. Palliative care (Iscoe and others) (Educ) 365

Prostate cancer: 11. Alternative approaches and the future of treatment (Trachtenberg and others) (Educ) 528

Prostate-specific antigen testing in Ontario: reasons for testing patients without diagnosed prostate cancer (Bunting and others) (Educ) 70

Quality of care in unlicensed homes for the aged in the Eastern Townships of Quebec (Bravo and others) (Ev) 1441

Screening Mammography Program of British Columbia: pattern of use and health care system costs (Olivetto and others) (Ev) 337

Solving stubborn-wound problem could save millions, team says (Swanson) (F) 556

Substitute decision-making for cognitively impaired older people (Brockett) (Ed) 1721

Tuberculosis: 3. Epidemiology of the disease in Canada (Long and others) (Educ) 1185

Tuberculosis: 4. Pulmonary disease (Long and Cowie) (Educ) 1344

Aged, 80 and over

Challenges of prescribing low-dose drug therapy for older people (Rochon and others) (Educ) 1029

Decision-making for long-term tube-feeding in cognitively impaired elderly people (Mitchell and Lawson) (Ev) 1705

Direct costs of coronary artery bypass grafting in patients aged 65 years or more and those under age 65 (Naglie and others) (Ev) 805

Intermittent compression units for severe post-phlebotic syndrome: a randomized crossover study (Ginsberg and others) (Ev) 1303

Is Internet-based disease management on the way? (O'Reilly) (OTN) 1039
